

## Know Yourself: Networking in the Digital Age

Thursday, Feb. 21 | 5:00 – 8:00 p.m.

### Panelist Bio:

**Dianne Black**  
Senior Vice President, Client Services  
Celerity

Dianne is a seasoned technology executive with 20+ years experience in leading highly successful business and digital technology initiatives specializing in Media, Telecommunications, and Financial Services. She held leadership roles for MCI (now Verizon), NeuStar, AOL, and Fannie Mae where she stood up new lines of business, led very complex business and technology transformations, and had P&L ownership. For the last 6+ years Dianne has been in technology consulting and is currently SVP of Client Services for Celerity, headquartered in McLean, VA. Dianne has a track record of establishing strong executive relationships and strategic partnerships. She is passionate about new technology and innovation and is known for leading very complex initiatives, setting clear roadmaps, and successfully engaging and motivating cross-functional teams across the globe.
