

## **ABOUT LORELEI PATE**

Lorelei Pate currently serves on the WICT Washington DC/Baltimore Chapter Board as Programming Chair. She was invited to join the DC/Baltimore Chapter Board in 2018 as Sponsorship Chair, after being recognized by WICT Global as the 2017 Volunteer of the Year.

Lorelei has worked in the cable industry for over 10 years, beginning in a technical team at America Online. She joined Time Warner Cable as part of the team assembled to launch their first Digital Phone Voice product. In her roles as a Rate Center Planning Engineer & Senior Technical Project Manager of Wireless, Voice & Network Operations, she managed the activation & evolution of both the Digital Phone Voice product & subsequent Wireless network, from initial customer to a network of 17 million nationwide (including wireless launch at large arenas such as USTA/US Open, Honda Center & Spectrum Center). She also worked the major integrations with Adelphia, Insight, New Wave, Towerstream & Charter Communications.

Lorelei graduated with cum laude distinction from Virginia Polytechnic Institute and State University with a Bachelor of Science degree in Biology. She currently resides in Sterling, Virginia with her loving husband, their spunky 1-year old daughter & 3 sweet rescue pups.
